

dormont public library

2950 WEST LIBERTY AVENUE, PITTSBURGH, PA 15216

Dear Library Supporters,

The Dormont Public Library's Board of Directors want to thank you for your continued support of the library during these uncertain times. The physical space of our beloved library may be closed, but the services the library provides are still in full swing. We are fortunate that the Dormont Public Library has continued to provide fantastic programming for our children and teens virtually. The library has remained a consistent and stable part of the community providing residents with much needed:

- Internet access
- Curbside book circulation
- Remote computer services like printing, scanning, and faxing
- Children's online story times.

We understand that it's been a difficult year for our patrons and the community. The COVID-19 pandemic has affected all of us in a variety of different ways and like many other organizations, the library has been affected as well.

We are fortunate to have the generous financial support of our Borough, the state of Pennsylvania, RAD (Regional Asset District) and many community members; however, there is much financial uncertainty for the upcoming year.

This September, or as we like to call it "Love Your Library Month," we are asking our friends and fellow library lovers to participate in a special fundraising collaboration to show your support for the Dormont Public Library.

All donations made during September will be matched by the generosity of the Jack Buncher Foundation.

Please visit loveyourlibrary.org before September 30th to make your matched donation and be sure to select Dormont Public Library as the recipient.

We hope you continue to access our wonderful library and their many services in whatever format we can. We don't yet know what our "new normal" will be in the coming months and into 2021, but we are certain the Dormont Public Library will continue to be a rock in our community providing support and resources for residents as it has for the last 84 years.

Thank you again for your support and please stay safe and healthy.

Sincerely,

Dormont Public Library Board of Directors
